

Guild Website: Questionnaire

The members' only area of the website has taken very few "hits" since its inception, so I am proposing to close it and bring everything back into the public domain. However there are many things that could be done with the website and I would like a bit of your time to help me decide what to do with it next. Please take a few minutes to read this and fill in the answers so that I can continue to create the website in the way that you would like it to be! The more feedback I get the better the website will be, I hope! (Please circle your answer.)

1. I have introduced a Members' Gallery and a Childrens' Gallery. Are you happy with them? Yes/No
If No, please say why _____

2. I intended to create a "Silk Fashion" Gallery when I had got enough photos of silk clothing, and an "Invited Artists" Gallery as well. Would you like to see these on our website? Yes/No

3. Would you like a members blog-space – (password protected) where members can write in with information and comments about their silk-painting, how it is going, what they are doing etc.? Yes/No

4. Would you like (instead of a blog) a Forum space where anyone can write in with a question/queries and comments about the website? Yes/No

5. Would you like to nominate artists for the "Invited Artists" Gallery? Yes/No
If Yes, do you have someone to nominate now? (They do not need to be a member.)(Please specify)

6. Would you like to nominate artists for the Showcase area (until now it has been Leonard Thompson and Tessa Eide)? Yes/No
If Yes, do you have someone you could nominate now? _____

7. Since the Members' Gallery is constantly being changed / added to it maybe too big to archive in its entirety at the end of the year. Therefore I am proposing that we hold a competition for the "Picture of the Year" and 9 other pictures from all the new galleries to be added to the archived galleries. Who should choose these 10 pictures: Me / You / The Committee (Please circle one).

8. Do you think we should keep everything currently on the website? Yes/No
If No, what would you get rid of (Please specify) _____

9. Do you think there should be any changes to the style or content of the website? Yes/No

If Yes, please specify _____

10. Is there anything else you would like to see? (Please specify) _____

(Please continue to write on the back if necessary).

Please post to: Tamsen Flack (Website editor of the Guild of Silk Painters)
